## FLORIDA DEPARTMENT OF EDUCATION 2022 AWARDS

### A-School

For the 12th consecutive year, since the school started, HIVE Prep has received the all A-School Award. This award is based on student achievement, learning gains, graduation, acceleration success and how well the school is focusing on students who need the most support.

### High Performing Charter School

For the 10th consecutive year, HIVE Prep has earned the High Performing Charter School Award. This means HIVE has had at least two school grades of A and has had no school grade below B for the last three years.

### School of Excellence

For the 6th consecutive year, HIVE Prep has been given the School of Excellence award. This is awarded for the school's percentage of possible points earned in its school grade calculation being in the 80th percentile or higher for at least two years in a row and having received an A school grade.

## HIVE K-2ND GRADERS STANFORD ACHIEVEMENT TEST

While K-2nd graders also take state assessments, HIVE Prep K-2nd graders take the 10th edition of the Stanford Achievement Test (SAT). This year, HIVE students' math scores outperformed the Miami-Dade County Public Schools District average by 29 percentage points!
