

Summer Reading 2025

Instructions

The summer vacation period is a wonderful time for students to have a short break from attending school every day, but a great opportunity to keep learning. Our summer reading program is targeted to help students continue to enhance their reading skills during the months of June, July, and August.

This year, we will be providing your child with a hard copy book to read over the Summer 😊

Incoming 8th Grade Summer Reading Book is **Ghost** by Jason Reynolds.

Your child will be responsible for reading their book and completing the assignments provided in this packet.

****Please bring in all work on the first day of school (Thursday, August 14), as it will count as a grade for the first quarter. (Your child does not need to return the book)**

Throughout the summer, if you have any questions, please call the main office at (305) 231-4888.

Please sign, and return on the first day of school, along with the completed assignments.
