We are a Tuition-Free Public Charter School serving students in Kindergarten through Eighth Grade

APPLICATIONS FOR THE 2026-27 SCHOOL YEAR OPEN DECEMBER 1ST!

HIVE Preparatory School, a Nationally and State Awarded school, is opening up applications for new students earlier this year than past years. Don't miss it!

Mark your calendars for December 1, 2025. Come join the HIVE family for 2026-27.

APPLY NOW!

ENROLLMENT HELP FOR NEW STUDENTS

When can I apply?

Applications for new students open December 1, 2025. Make sure to apply early to ensure a spot and avoid the waiting list.

How do I apply?

Please visit <https://hiveprep.com/new-student-applications/> to enroll your student for the 2026-27 school year. This link will take you to a quick and easy online application.

Why should I apply?

The mission at HIVE Preparatory is to create a Highly Inquisitive & Versatile Education that will facilitate a student-centered, adaptable learning environment. We provide students with a rigorous academic and social preparation that promotes dignity, courtesy, discipline, responsibility and high expectations in order to achieve high academic standards and become productive citizens. At HIVE, students succeed. Not only that, but both academics and extracurricular activities have been recognized by the state and other entities numerous times.

HIVE RANKS AS A 'GOLD SCHOOL'

A handful of organizations annually score every school in America. Through various criteria, HIVE Prep has consistently ranked as one of the best schools in both Florida and the entire nation. The 2024-25 school year once again has placed HIVE high in the charts!

The annual US News & World Report has once again named HIVE Prep as a Gold School. This indicates that HIVE Prep is one of the top performing schools in the nation! Additionally, Niche.com's 2025 Standout School rankings placed HIVE Prep Middle School as #5 in Florida and HIVE Prep Elementary School as #6 in Florida. Niche.com also gave "A" grades for both HIVE's Academics and Teachers. Once again, GreatSchools.org has ranked HIVE as a 10/10 school and SchoolDigger.com has ranked both HIVE's elementary and middle school programs as 5/5.

CELEBRATING EXCELLENCE: HIVE PREP'S 2025 ACCOLADES

Each year, HIVE Prep is proud to earn both new and recurring accolades! Here are some of the most recent from 2025:

- For the 14th consecutive year, HIVE earned "A-Grade" designation from the Florida Department of Education
- For the 10th consecutive year, HIVE earned the "School of Excellence" designation from the Florida Department of Education
- HIVE ranked #1 as the highest performing K-8 Title 1 Charter School in Florida
- HIVE's kindergarten ranked in the top 1% in Miami-Dade County according to the FAST-Star Early Literacy Exam and the FAST-Star Early Math Exam

BE A PART OF A NATIONALLY AND STATE RECOGNIZED SCHOOL

HIVE Prep was named a 2024 National Blue Ribbon School by the United States Department of Education. The National Blue Ribbon award is a prestigious honor given to schools that show excellence in overall academic performance and show substantial progress in closing achievement gaps on state assessments.

Not only that, but HIVE Prep is ranked as the #1 K-8 Title 1 Charter School in the state of Florida, among several other state distinctions. Whether at the state or national level, HIVE Prep is recognized for its excellence in education!

COME SEE HIVE PREP FOR YOURSELF!

Curious if HIVE is the right fit? We invite you to come see for yourself. Tours are available Monday through Friday from 7:30 a.m. to 4:30 p.m. with no appointment necessary. For further information regarding HIVE Prep and its enrollment process, please contact Ketsia Fouquet at klfouquet@hiveprep.com or at (305) 231-4888.

HIVE ACCELERATES!

Under HIVE Prep's educational model, students are put on accelerated learning tracks which prepare for high school, college and beyond.

For example, third through eighth grade math students participate in an accelerated math program that both challenges and supports them. Through this advanced track, students are able to take two high school math courses (Algebra 1 and Geometry 1) while still in middle school. Another example is the accelerated science program for sixth through eighth grade students. With this program, students are able to finish middle school with two high school science classes: Physical Science and Biology.

Additionally, middle school students take both literature courses and reading courses which helps to strengthen critical reading, advanced writing and analytical skills even earlier than the average student. This gives HIVE Prep students a head start, more than preparing them for high school-level courses.

As a result of these accelerated programs, 99% of HIVE eighth graders in 2025 received high school credits while still in middle school.

HIVE IS COLLEGE BOUND

Dual enrollment is a way for students to receive college credit while taking a course in high school that has been accredited by a higher education institution and therefore counts as both a high school and college credit. Dual enrollment offers many advantages like saving families time and money, giving students more support while in a school setting, exploring career options early and getting a head start on college.

HIVE eighth graders are guided through the dual enrollment process and are enrolled in Miami-Dade State College before they even leave HIVE.

They not only have the opportunity to visit local colleges to learn, explore and familiarize themselves, but they are also supported by the HIVE guidance counselor and the college advisors to:

- Take and pass an entrance exam
- Apply to the college
- Schedule their first classes (if desired)
